

Each year, the local County Assessor's Office, and Nebraska Department of Revenue set a finalized valuation for individual school districts. Ashland-Greenwood Public Schools property valuation information, along with the subgroups/property types that comprise the total valuation, are listed below. As a reminder, a school district's levies are determined by the overall adjusted valuation.

Total 2025-26 Adjusted Valuation: \$1,608,977,810

Personal/Residential: \$1,221,603,942

Commercial/Industrial: \$114,689,409

Agricultural Land/Buildings: \$272,684,459
